## Minister for Health and Social Services Redevelopment of Radiology and Emergency Departments at the General Hospital

---

Applications are invited from approved building contractors who are licensed under Part II of the Regulations and Development (Jersey) Law 1973 as amended and who wish to tender for the redevelopment of the Radiology and Emergency Departments at the General Hospital. The contract works will involve a phased internal remodelling and fit out of two new department areas in a fully occupied and operational building. A new mezzanine floor will be constructed with the phased installation and coordination of new mechanical and electrical services. There will also be various external alterations.

The form of Contract to be used will be the Standard Form of JCT Building Contract 1980 Edition local Authorities with Quantities incorporating amendments 1-1 inclusive adapted to incorporate States of Jersey local conditions under the direction of Ash Addington Architects St Andrews Studios St Andrews Place Charing Cross St Helier JE4 3RP.

The successful contractor may be required to enter into a Contract Guarantee Bond with Zurich GSG by which he will be jointly and severally bound to the States in a sum not exceeding 10% of the contract amount. The Contractor will be required to furnish in confidence to the Assurance Company such financial and other relevant information as the Company may reasonably require. A schedule of information that may be required can be seen on application to the undersigned.

Applications stating present commitments must be submitted in writing to the undersigned by 12 noon on Friday 9th August 2008.

The Minister reserves the right to select from the list of applicants and does not bind himself to accept the lowest or any tender.
