## States Members' Remuneration Review Body

---

The Privileges and Procedures Committee is seeking expressions of interest from persons who wish to be considered for membership of the States Members' Remuneration Review Body.

The Body was first established in 2004 and its purpose is to make recommendations on the appropriate level of remuneration for elected members of the States. It does this following the receipt of oral and written submissions as well as by undertaking whatever research it considers necessary. This year the Body will be required to make recommendations by the end of 2008 on the appropriate level of remuneration for elected members of the States for the 3 year period starting on **1st January 2009**.

The Body consists of a Chairman and 4 other members all of whom must be appointed by the States on the recommendation of the Privileges and Procedures Committee. Persons interested in being considered for membership are invited to write to the Greffier of the States giving brief details of their personal and professional background and setting out why they believe they could make a useful contribution to the work of the Body. It would also be helpful if prospective members could indicate whether they would be willing to serve as Chairman of the Body if invited to do so.

Applicants must be able to demonstrate that they will approach this work in a totally objective and impartial manner. The appointments are not remunerated as such but members of the Body are paid expenses of £20 per day for time spent working for the Body to cover any incidental costs incurred.

Further information about the Body including detailed terms of reference and the likely time commitment for this work can be obtained from the States Assembly Information Centre in Morier House St. Helier or by contacting the Greffier of the States telephone 441 003 or by e mail to [m.delahaye@gov.je](mailto:m.delahaye@gov.je).

**Expressions of interest should be submitted to the Greffier of the States States Greffe Morier House St. Helier JE1 1DD (or by e mail to [m.delahaye@gov.je](mailto:m.delahaye@gov.je)) no later than Monday 1st September 2008.**
