Committee of Inquiry Third Party Planning Appeals - Call for Evidence

The above Inquiry was established to investigate the operation of Third Party Planning Appeals in the Royal Court during the first year since its inception.

It is clear that there have been a small number of cases where third party planning appeals did not continue to the end of the process for whatever reason. To help the Committee to understand the problems it would like to hear from anyone who initiated or considered a third party appeal which did not proceed - or indeed an applicant who was affected by any potential appeal.

Please contact the Clerk Jane Aubin by email: j.aubin@gov.je or by telephone: 441032 (mornings only), or write to the Committee of Inquiry at the States Greffe Morier House Halkett Place St Helier E1 1DD by **Friday 3rd October**.

All written and oral submissions will be placed on the States Assembly website unless the Committee agrees to receive any evidence under a confidential or private agreement which in accordance with the Data Protection (Jersey) Law will not be made public.
